**TITLE:** SURGE REQUIREMENTS (USAAMCOM)

**TEXT**

The Government may request accelerated delivery of items procured under this contract to accommodate surge needs. This request shall be generated by the Contracting Officer via written notification to the contractor identifying the surge requirement, setting forth the item(s) for which the Government seeks accelerated delivery and the requested revised required delivery schedule(s) associated therewith. The contractor agrees to submit a proposal in response to the Government's request within 30 days of receipt of the request. The proposal shall set forth a delivery schedule and any proposed price adjustment applicable to the accelerated delivery schedule. The contractor shall utilize its best efforts to propose a delivery schedule conforming to the Government's requested revised delivery schedule. No Government liability for price adjustment shall accrue as a result of the request absent a written contractual modification requiring the accelerated schedule.
