**TITLE:** PREAMBLE (LETTER CONTRACT DEFINITIZED) (USAAMCOM)

**TEXT**

It is understood and mutually agreed between the parties that:

1. This Modification -2- is entered into pursuant to and supersedes the Letter Contract -1- and constitutes the definitive contract contemplated by the Letter Contract, which contract is completely set forth in the following pages; except that those documents previously provided to the contractor and not again included are listed in Part III, Section J, of this modification and are incorporated herein by reference.

2. The work performed by the contractor under the Letter Contract is considered to have been performed pursuant to this definitive contract.

3. In the event that this modification contains provisions which may be construed to be inconsistent in any particular way with the provisions of the Letter Contract, then the provisions of this Modification -2- shall be deemed to state the complete agreement and intent of the parties hereto and any rights, duties, and obligations created by the provisions of the Letter Contract which are inconsistent with the terms of this modification are hereby waived, cancelled, and released.
