TITLE: TROOP CARE AND TECHNICAL EXPERT EMPLOYEES IN GERMANY (USAAMCOM)

TEXT

This contract will require utilization by the contractor of (Troop Care (TC) (Technical Expert (TE)) employees in Germany. The Department of Defense must obtain approval by German authorities to establish such contract positions. Following are (TC)(TE) positions specified in this solicitation for which approval has not been obtained at date of solicitation issuance:

Offers should be based on the assumption that approval of the above positions will be granted. In the event that, following contract award, any or all of the above positions are disapproved, the Government and the contractor shall negotiate an equitable adjustment in the contract price or estimated cost/fee.

(End of Provision)
