**TITLE:** ACCREDITATION OF TROOP CARE AND TECHNICAL EXPERT EMPLOYEES IN GERMANY (USAAMCOM)

**TEXT**

This contract requires the utilization of (Troop Care (TC)) (Technical Expert (TE)) personnel to be employed by the contractor. The Department of Defense must obtain approval by German authorities for accreditation of employees to fill such contract positions. Contractor may not employ (TC) (TE) personnel that have not been accredited to specific positions at specific locations. To expedite accreditation, contractor agrees to promptly complete, in accurate detail and return to the contracting officer, a questionnaire, provided as an attachment to this solicitation/contract, on each employee designated to fill a (TC) (TE) position.

Contractor shall promptly notify the contracting officer if a (TC) (TE) employee, once accredited, is no longer performing duties requiring accreditation.

Contractor recognizes that German government authorities may, from time to time, visit contractor's work areas for the purpose of verifying the status of positions and personnel as (TC) (TE) employees.
