TITLE: STATEMENT OF WORK--AVAILABILITY OF CONTRACTOR PERSONNEL AND ACCESS TO FACILITIES (USAAMCOM)

TEXT

During the progress of work called for herein, the Contractor shall, upon request of the Contracting Officer, make available his programs and/or product support personnel engaged in the performance of the work for conferences with the Contracting Officer or his duly authorized representative. In the event that Government personnel visit the Contractor's facility for the purpose of conferences or study of work in progress, the Contractor shall make available to the Government representatives adequate office space and other facilities as necessary at no additional cost to the Government.
