**TITLE:** AWARD INFORMATION WHEN GOVERNMENT TESTING OF FIRST ARTICLE IS REQUIRED (USAAMCOM)

**TEXT**

The Government reserves the right to award the production quantity and its corresponding first article, or if the requirement for submission of the first article is waived by the Government, to award the production quantity only. Space is provided and contract line items (CLINS) and subline items (SLINS) are assigned for the purpose of proposing/bidding a price for the production quantity with and without a first article. Offerors who fail to propose/bid prices for all three related items ((1) Production Quantity, (2) First Article(s), and (3) Production Quantity Without First Article(s)) may cause their offer to be considered nonresponsive.
