TITLE: ELECTRONIC FABRICATION: REQUIREMENTS FOR SOLDERED ELECTRICAL AND ELECTRONIC ASSEMBLIES (USAAMCOM)

TEXT

Notwithstanding any other provision contained in any part of this contract to the contrary, the minimum requirements/standards for soldering electrical and electronic assemblies shall be the non-military joint industry standard, ANSI/J-STD-001, Class 3.

The revision of ANSI/J-STD-001 in effect on the effective date of the contract shall govern the hardware produced hereunder.

A copy of ANSI/J-STD-001 may be obtained from the Institute for Interconnecting and Packaging Electronic Circuits (IPC), 2215 Sanders Road, Northbrook, IL, 60062-6135, telephone number (847) 509-9700, fax number (847) 509-9798.
