TITLE: MINIMUM REQUIREMENTS (USAAMCOM)

TEXT

The contractor shall maintain complete data to show that he meets the minimum requirements as shown below. It has been determined by the Government that the categories of labor listed here are necessary for the performance of this contract. The contractor is required to have available to this contract the type and number of personnel listed below. Availability to the contract shall be clearly documented by evidence of current employment, written commitments of employment or subcontracting arrangements. The same individual is not to be used in more than one category for purposes of meeting the minimum requirements.
