TITLE: NOTICE REGARDING GENERAL PROVISION FAR 52.219-9 (USAAMCOM)

TEXT

(1) "General Provision FAR 52.219-9, Small Business Subcontracting Plan, is operative only in individual orders of \$500,000 or more and when the clause is specifically incorporated in such orders. When FAR 52.219-9 is required and an unpriced order is contemplated, an approved subcontracting plan or as a minimum a preliminary plan which addresses the requirements of FAR 19.704 shall be included in the order. When a preliminary plan is included in the order, the final subcontracting plan shall be submitted and negotiated within ninety days after issuance of an unpriced order or before definitization, whichever occurs first. On each applicable request for proposal leading to a priced order, the subcontracting plan shall be submitted concurrently with the cost and price proposal."

(2) "If General Provision FAR 52.219-9 becomes operative under conditions hereinabove stated, an incentive clause may be negotiated. A sample incentive clause is contained in FAR 52.219-10, Incentive Subcontracting Program."\
