**PAGE:** 1

**REGULATION  
CODE:** GS7040

**REGULATION  
REFERENCE:** 52.232-4708

**DATE:** 06/01/1997

**TITLE:** SUBCLIN STRUCTURE (USAAMCOM)

**TEXT**

If a Statement of Work for an individual order is funded by more than one type of funds, the Government will notify the contractor at the time the Statement of Work is presented for a proposal so that the cost quote can define the costs associated with each type of funds. Billing should be by Subcontract Line Item (SUBCLIN) in order that program funds can be clearly defined during audit.

(End of Clause)
