If this offer is based on the use of Government property by the offeror or his anticipated subcontractors for performing the proposed contract, the offeror shall submit with his proposal the following information:

- (1) Description/identification of the item.
- (2) Total cost of item, if known, including acquisition cost, improvement costs, installation cost, and freight. (Cost will be subject to verification by the appropriate accountable property officer.)
- (3) Type/class of equipment in accordance with FAR 52.245-9(DOD Class Deviation 00011).
- (4) Monthly rental rate in accordance with FAR 52.245-9(DOD Class Deviation 00011).

- (7) Written permission of the contracting officer having cognizance of the property already in the possession or control of the bidder/offeror or his proposed subcontractor to use that property without charge in performance of any contract resulting from this solicitation.
- (8) Copy of any existing rental agreement or rental agreement number and name and address of administering contracting officer.
