TITLE: CONTROLLED ITEM REPORT (IN CONTRACT, FOLLOW-ON SHIPPING INSTRUCTIONS AND SHIPMENTS) (USAAMCOM)

TEXT

a. The Contractor will ship items required under this contract in accordance with the instructions set forth in the contract and follow-on shipping instructions issued by the Contracting Officer.

b. Each shipment will be reported by serial number(s) of the unit(s) shipped.

c. Serial numbers will be furnished by the Contracting Officer and assigned in accordance with his instructions. Serial numbers for each shipment will be reflected on the DD Form 250 accompanying the shipment.

d. The Contractor shall be responsible for requesting serial numbers sufficiently in advance of each scheduled shipping date to avoid delays in shipments.
